

EDIZIONE 2014/2015

Nel presentarVi il nuovo catalogo, oltre a proporre gli ultimi modelli realizzati, abbiamo mirato ad offrire un servizio più completo con materiale di consumo.

Ci siamo impegnati a migliorare quanto il mercato ha apprezzato ed apprezza con piccole modifiche estetiche funzionali supportate dalla scelta di materie prime più resistenti ed idonee all'uso.

- Le misure indicate sono interne, il peso riportato è approssimativo.
- La prima misura si riferisce al diametro di base interno, la seconda al diametro superiore interno

We show the new catalogue and we offer last moulds realized. We aimed to offer a complete more service with use material. We committed to improve how the market appreciated and appreciate with little functional aesthetic modifications supported by commodity more strong and suitable to use.

- Measures are inside, the weight is approximate.
- The first measure is the lower inside diameter. The second measure is the upper inside diameter.

Presentamos a vosotros el nuevo catálogo, a demás de proponer los últimos moldes realizados, queremos que ofrecer un servicio mas completo con material de consumo.

Nosotros hemos empeñado a mejorar lo que el mercado aprecia con pequeñas modificaciones estéticos funcionales con elección de materia prima mas resistente y idóneo a el uso.

- Las medidas indicadas son internas, el peso es aproximado.
- La primera medida es el diámetro interno de base, la segunda es el diámetro interno superior.
